

Helix Announces Delivery of Q5000 and Drawdown of \$250 Million Credit Facility

May 4, 2015

HOUSTON--(BUSINESS WIRE)--May 4, 2015-- Helix Energy Solutions Group, Inc. (NYSE: HLX) announced today that on April 30th its wholly owned subsidiary, Helix Q5000 Holdings S.A.R.L., took delivery of the Q5000 semisubmersible well intervention vessel from Sembcorp Marine's Jurong Shipyard. In conjunction with delivery of the vessel, Helix Q5000 Holdings S.A.R.L. used proceeds of the previously announced \$250 million Q5000 credit facility to make the final shipyard payment. The remaining cash balance of the facility, approximately \$148 million, will be used for general corporate and working capital needs.

Forward-Looking Statements

This press release contains forward-looking statements that involve risks, uncertainties and assumptions that could cause our results to differ materially from those expressed or implied by such forward-looking statements. All statements, other than statements of historical fact, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, any statements regarding our strategy; any statements regarding future utilization; any projections of financial items; future operations expenditures; any statements regarding the plans, strategies and objectives of management for future operations; any statement concerning developments; any statements regarding future economic conditions or performance; any statements of expectation or belief; and any statements of assumptions underlying any of the foregoing. The forward-looking statements are subject to a number of known and unknown risks, uncertainties and other factors including but not limited to the performance of contracts by suppliers, customers and partners; actions by governmental and regulatory authorities; operating hazards and delays; our ultimate ability to realize current backlog; employee management issues; complexities of global political and economic developments; geologic risks; volatility of oil and gas prices and other risks described from time to time in our reports filed with the Securities and Exchange Commission ("SEC"), including the Company's most recently filed Annual Report on Form 10-K and in the Company's other filings with the SEC, which are available free of charge on the SEC's website at www.sec.gov. We assume no obligation and do not intend to update these forward-looking statements except as required by the securities laws.
