

## **Helix to Present at Morgan Stanley Energy Conference**

July 1, 2009

HOUSTON--(BUSINESS WIRE)--Jul. 1, 2009-- Helix Energy Solutions (NYSE:HLX) announced today that it will present on Wednesday, July 8, 2009 at the Morgan Stanley Energy Conference in New York, New York.

The presentation is scheduled to begin at 3:00pm Eastern Time. The slides related to such presentation will be available the morning of July 7 on the Helix website, [www.HelixESG.com](http://www.HelixESG.com), by first clicking "Investor Relations" and then "Presentations".

The presentation will provide an update regarding Helix's improved liquidity and indebtedness levels based on developments since March 31, 2009, as well as updated information on capital spending plans.

Helix Energy Solutions, headquartered in Houston, Texas, is an international offshore energy company that provides development solutions and other key life of field services to the open energy market as well as to our own oil and gas business unit. That business unit is a prospect generation, exploration, development and production company. Employing our own key services and methodologies, we seek to lower finding and development costs, relative to industry norms.
