Helix will host a conference call to review its third quarter results on Thursday, October 28, 2010 at 9:00 a.m. Central Daylight Time. Investors and other interested parties are encouraged to listen to the call via an audio webcast from the "Investor Relations" page of our website, [www.HelixESG.com](http://www.HelixESG.com). Investors and other interested parties wishing to listen to the conference via telephone may join the call by dialing 800-734-8582 for persons in the United States and 1-212-231-2905 for international participants. The passcode is "Tripodo".

Investors and other interested parties will be able to obtain the conference call slide presentation prior to the conference call from the "Investor Relations" page at [www.HelixESG.com](http://www.HelixESG.com) by clicking on "Investor Relations" and then choosing "Presentations". A replay of the conference will be available under "Investor Relations" by selecting the "Audio Archives" link from the same page beginning approximately two hours after the completion of the conference call.

Helix Energy Solutions Group, headquartered in Houston, Texas, is an international offshore energy company that provides development solutions and other key life of field services to the open energy market as well as to our own oil and gas business unit. Employing our own key services and methodologies, we seek to lower finding and development costs, relative to industry norms.
